WELCOME

A warm welcome to the community of Sacred Heart School Dunedin. At Sacred Heart we are continually focused on what is best for our tamariki. As a Catholic school, we draw on our faith and values to develop a sense of justice and caring for others in our children. We believe our high level of pastoral care, parent interest and involvement contribute to our successes. Our environment maximises opportunities for children to excel in their educational, spiritual and personal development.

OUR VISION

At Sacred Heart School we recognise the intrinsic dignity and individuality of each child and build on their natural desire to inquire and learn. We aim, through our influence, example, commitment and effort, to provide our children with an holistic education in a safe, caring and supportive environment, to foster their healthy self-esteem and respect for themselves and each other and to nurture their continuing spiritual development.
